A PURPOSE

In a dedicated space in the middle of the exhibition area of the 30th World LPG Forum, you will be able to showcase new projects, technologies, products or services during a 30 minute presentation to visitors, exhibitors and delegates. You will enjoy high-quality exchanges in this privileged environment dedicated to your company. The package includes: a screen, wireless microphones, sound system and standard IT/organisational support.

The Exceptional Energy stage is promoted during the event by publication of the schedule in main brochures, on the event website, throughout newsletters and on the event app. The experience is promoted onsite by announcements in the exhibition space, by notifications on the app and is also indicated with signage.
